Todd and Gavin, will Mike be presenting for both of you?

Thanks for the great head start on the Annex 6 info. We will be providing additional guidance after the GLEC, but it is clear that you are making excellent progress and at least as far along as the other annexes... so no worries for the GLEC meeting.

Hope that helps!

Chris, Jamie, and John,

I see that the report of the parties is on the agenda for the upcoming GLEC meeting. We sent the Annex 6 outline and content along with our presentation a couple of weeks ago. Since Gavin and I will not be at the GLEC meeting next week, could we get some feedback on our submission? WE would like to know if we need to modify or revise any of the content. I am resubmitting so you will not have to search previous emails.

Thank you,

Todd
